### **Children**

It is the hirer's responsibility to inform us at the time of booking children included in the journey as special seating requirements will be required to convey their guests in a safe and legal manner required by law.

Due to the age and nature of the vehicle 'Molly' seat belts are not fitted in the rear. Therefore in line with legislation no child under the age of 3 years can travel in the rear. However, there is a front passenger seat with a standard seat belt, therefore one child under 3 years can travel using this seat as long as the correct baby/child restraint is used in addition. Customers are responsible for informing VW Love Bus of any child under 3 years that will be travelling, at time of booking.

Passengers over 12 are not required by law to wear seat belts in the campers however we do provide lap belts. Passenger at the front are required to wear seat belts and also in the Beetle.

We advise you to have a back up plan just in case, should the worst happen on your wedding day. Ask a friend or relative to be available to take you to the ceremony just in case. Please do consider wedding insurance to cover costs.
